

# PHILOSOPHY (AA)

## Associate of Arts

### Transfer Program

#### Interest Areas:

**Arts, Comm., and Humanities**

This program helps students appreciate the role of ideas in shaping and evaluating the broad range of human experience from ancient to modern times. Classes focus on how great thinkers considered issues concerning ethics, human nature, politics, religion, economics, social change, knowledge, reality, and sound reasoning. Students learn to read critically, to think logically, to analyze and organize a wide variety of concepts, to research and evaluate sources, and to communicate clearly and effectively. Philosophy majors can apply their knowledge and skills to a wide range of professional fields such as business, advertising, media, law, health professions, and education.

Completion of the following courses normally fulfills the first half of bachelor degree requirements in Philosophy. Course selections should be tailored to match requirements of the intended transfer institution.

#### Contact Information:

**English & Humanities Division**

## Program Outcomes

Upon completion of the program, students will be able to:

1. Distinguish among philosophical problems and patterns and examine their historical, intellectual, and cultural contexts.
2. Create arguments that utilize sound reasoning processes, are grounded in evidenced-based analysis, and incorporate the appraisal of opposing views.
3. Appraise critical perspectives in philosophical subject matter and demonstrate the components of sound reasoning and argumentation.
4. Explain how philosophy has affected the growth and change of institutions, society, and conceptions of ethics and justice.

In addition to the program outcomes, students will meet the North Idaho College General Education (GEM) Requirements.
